

KONELINE: our land beautiful still photo captions.

Production stills for ONLINE use are available via our website:

<http://www.canadawildproductions.com/media-download/konline/>

Please contact the Production if you require other images for use in PRINT media or different resolutions or formats of any of our photos.

PLEASE NOTE: All images aside from (Behind-The-Scenes photos) are available both optimized for PRINT and for SCREEN. Files for print have “print_cmyk” in their filenames, whereas files for online or digital use have “screen_srgb” in theirs filenames. The ID labels are generic to source images.
